## Automation with Full Control

we make it easy to follow your budget, by transferring your money into the right accounts.

We'll explain every transfer, you'll always have 2 days to cancel it, and we guarantee you won't overdraft.

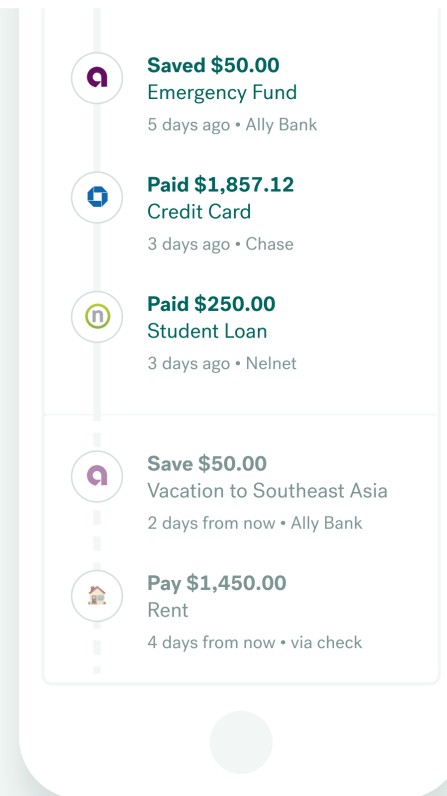

- Save for Emergency Fund
- Save for a Custom Goal
- Pay Bills (credit cards, etc.) Coming Soon
- Pay Student Loans Coming Soon
- Automatically Invest Coming Soon

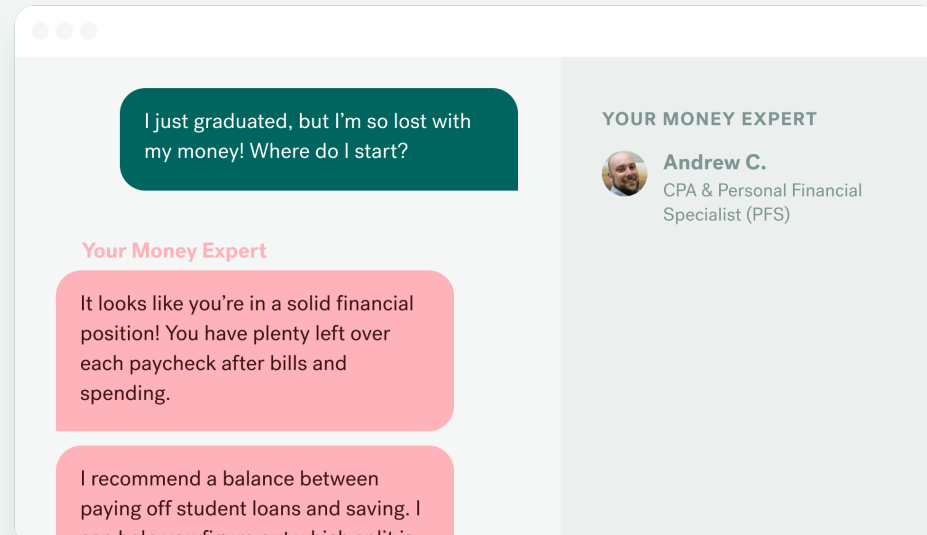

## Chat with your Personal Expert

Money is more than just numbers, which is why it's so important to have human guidance.

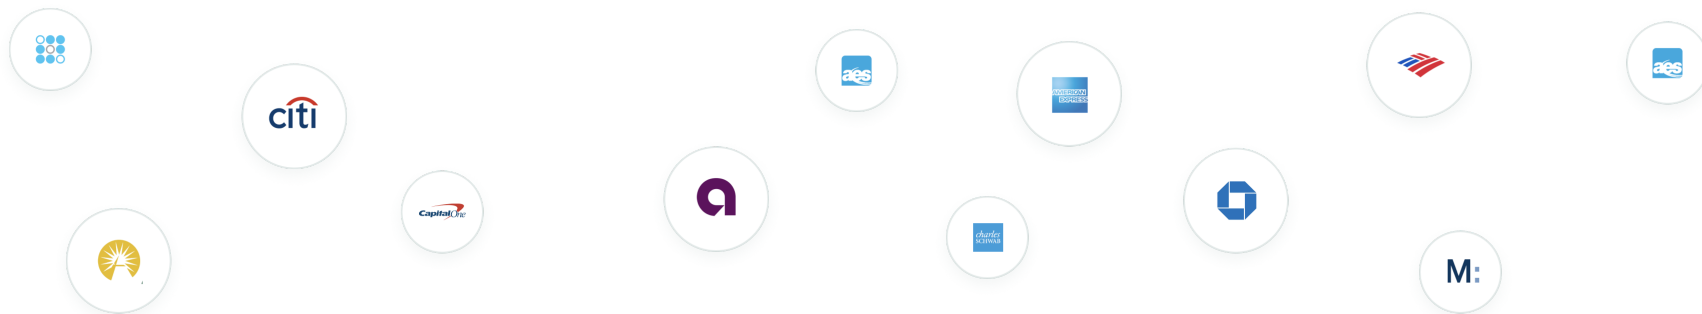

We're here for you — for any money question, or if you just need someone to talk to.

## We work with your existing bank accounts

We connect all your existing bank accounts in one place, and optimally balance your money across all of them.

# The Northstar Membership

We believe in unlimited access with simple pricing. No hidden fees.
